Joint Admission Exercise (JAE)

3.00 pm 12 Jan – 4.00 pm 17 Jan

1. All course registration must be done online through the JAE Internet System (JAE-IS). The JAE-IS is accessible through the JAE website at www.moe.gov.sg/jae
2. Applicants can access JAE-IS with your SingPass or JAE PIN. Your **JAE PIN** can be found in **Form A**, which will be issued to you together with your results slip for the **2021** Singapore-Cambridge GCE 'O' Level Examination.

(Form A contains the JAE PIN, GCE 'O' Level Examination results, Aggregate scores and the Eligible Courses of each student.)

Joint Admission Exercise (JAE)

3. Applicants should note the following:
 - i. You should complete the JAE Worksheet before accessing the JAE-IS to register your course choices. Completion of the JAE Worksheet will enable applicants to register more smoothly online.
 - ii. You are strongly advised to make full use of the 12 choices, where applicable. The choices should be listed in the order of preference.
 - iii. You are strongly advised to print and retain a copy of the Verification Slip after you have submitted your application online to confirm that your application is successful. If not, you can log in

Joint Admission Exercise (JAE)

4. All students successfully admitted to a school through Direct School Admission-JC (DSA-JC) / Polytechnic Early Admissions (Poly EAE) / ITE Early Admissions (ITE EAE) will not be able to participate in the JAE. Successful DSA-JC and Poly EAE students will receive their Form A that indicate the school they are admitted to. Successful ITE EAE students will be informed by ITE. They will report to the institution on the same day as those students taking part in the JAE.
5. The posting results of the JAE application are scheduled for release on 4 February 2022 (SMS or JAE website)

Eligibility for JC/MI Admission

6. To be eligible for admission to JC/MI, students must satisfy the admission criteria to JC and MI as shown in the 2022 JAE Information Booklet **pages 30 & 31**.
7. The Aggregate Type for JC Course is **L1R5** and MI Course is **L1R4**. The aggregate score computation for **L1R5** and **L1R4** is based on the aggregate computation table shown in the 2022 JAE Information Booklet **page 26 and the Note on page 28**.
8. Students who have met the entry requirements for admission to JC/MI will be eligible to register for JC/MI courses during the JAE registration period.
9. Applicants posted to JCs and MI are to report to their posted institutions on 7 February 2022.

Eligibility for Polytechnic Admission

9. To be eligible for Polytechnic courses, students must meet the following requirements:
- Meet the entry requirements for admission to Polytechnic (i.e. 28 points or better for the net ELR2B2 aggregate score) **and**
 - Meet the minimum entry requirement (MER) for the Polytechnic course (i.e. minimum subject grades). Details of the MER of various polytechnic courses can be found in the JAE Information booklet).

Eligibility for Polytechnic Admission

9. Polytechnic courses are categorised by four Aggregate Types (i.e. ELR2B2-A, ELR2B2-B, ELR2B2-C and ELR2B2-D). The aggregate score computation for ELR2B2-A, ELR2B2-B, ELR2B2-C and ELR2B2-D is based on the aggregate computation table shown in the **2022 JAE Information Booklet page 27**.
10. The course codes listed on Form A indicate the courses that the student has met both the entry requirements for Polytechnic admission and the course MER. Students are eligible to register for these courses during the JAE registration period.

Eligibility for ITE Admission

11. To be eligible for admission to *Higher Nitec* course, students must meet the following requirements:

- a. Sit for the GCE 'O' Level subjects shown in the ELB4, ELR1B3 & ELR2B2 ITE Courses Table (refer to 2022 JAE Information Booklet **page 28**) **and**
- b. Meet the minimum entry requirements (MER) for the *Higher Nitec* course (i.e. minimum subject grades). Details of the courses MER can be found in the JAE Information Booklet).

Eligibility for ITE Admission

12. Higher Nitec courses are categorised by three Aggregate Types (i.e. ELB4-A, ELR1B3-B and ELR2B2-C). The aggregate score computation for ELB4-A, ELR1B3-B and ELR2B2-C is based on the aggregate computation table shown in the 2022 JAE Information Booklet [page 28](#).
13. The course codes listed on Form A indicate the courses that the student has met both the entry requirements for admission to ITE and the course MER. Students are eligible to register for those courses during the JAE registration period.

Important points

- Choose wisely
 - Posting is based on merit
- Make full use of the 12 choices
 - Encouraged to have safe choices (e.g. Have choices where your aggregate scores are better than the COP)
- You can appeal for courses where you meet the current year's cut-off points as well as the Minimum Entry Requirements (MERs).
